

The image displays the Scratch 2.0 software interface. At the top left, the Scratch logo is visible. The main workspace shows a scene with a blue sky, blue waves, a yellow beach, and two brown treasure chests with gold handles. A female pirate character with a white skull-and-crossbones hat, a purple top, and black boots stands on the beach. The top toolbar contains icons for home, undo, redo, delete, and a plus sign. The bottom toolbar includes icons for a character, a plus sign, a speech bubble, a group, a volume icon, a person icon, a right arrow, a yellow speech bubble, a red speech bubble, a home icon, a left arrow, a right arrow, a refresh icon, a refresh icon with a plus sign, a refresh icon with a minus sign, and a refresh icon with a plus sign. On the right side, there are three preview thumbnails labeled 1, 2, and 3, each showing a different stage of the scene. Below the thumbnails is a plus sign icon. At the bottom right, there are two social media sharing icons: a yellow one with a person and a speech bubble, and a red one with a speech bubble and a plus sign. A grey keyboard icon is also present at the bottom right.
