

The image shows the Scratch Jr software interface. At the top left is the 'Scratch Jr' logo and a home icon. Below the logo is a vertical menu with three items: 'Child' (with a girl icon), 'Character' (with a blue circle containing the letter 'S'), and 'Starfish' (with a pink starfish icon). Below this menu is a 'Sun' object with a yellow sun icon and a blue circle containing a plus sign. The main stage is a beach scene with a blue sky, a yellow sun, blue waves, a yellow beach, a girl character, a pink starfish, and an orange surfboard. A large blue circle with the letter 'S' is in the top left of the stage. On the right side, there is a preview window showing a smaller version of the stage with a '1' in the top right corner, and a blue circle with a plus sign below it. At the bottom, there is a green toolbar with various icons: a yellow speech bubble, a blue arrow, a purple person icon, a green speaker icon, an orange network icon, a red video icon, a green 'pop' icon, a green microphone icon with a '1', and a green microphone icon with a dashed outline. On the far right of the toolbar are two curved arrows for undo and redo.

The image shows the Scratch Jr software interface. At the top left is the 'SCRATCH JR' logo. Below it is a toolbar with icons for home, zoom, background, characters, and undo. The main workspace is a beach scene with a girl, sun, starfish, and surfboard. A large blue circle with the letter 'S' is in the top left of the scene. On the left side, there is a character palette with 'Child', 'Character', 'Starfish', and 'Sun' options. On the right side, there is a preview window showing the scene with a small 'S' and a '+' icon below it. At the bottom, there is a green toolbar with icons for chat, navigation, character, sound, and recording.
