# Let's Fold!

Step 1:
Grab a sheet of Origami Paper. Fold it along its diagonal like this.

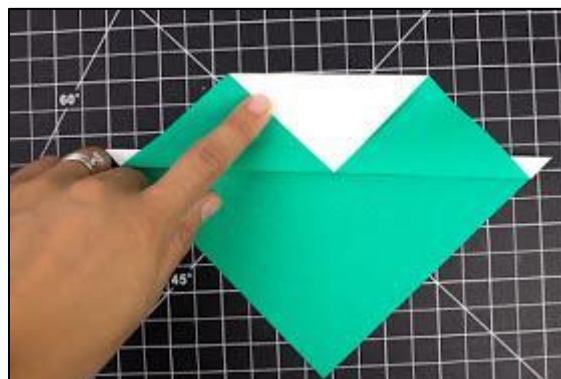

Step 2:
Open the paper up and fold it like this. (You've now created Frankenstein's furrowed brow.)

Step 3:
Now we're creating the monster's hair.
Fold the top portion of your paper down so it touches the crease like so:
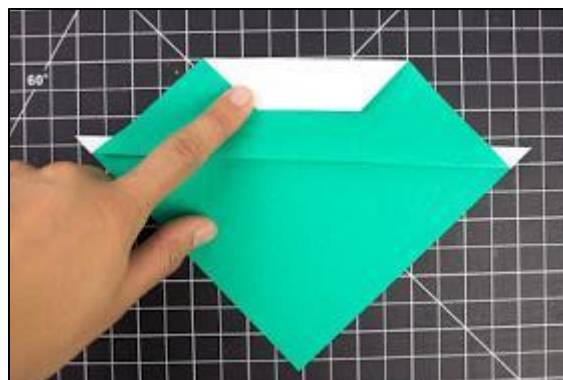

Step 4:
Undo the fold.
Then fold the top tip down to the crease made in the previous step.

Step 5:
Fold the paper down along the crease made in step 3.
You've now finished the hair!

Step 6:
Now we're going to fold the ears.
Flip your origami over.
Then fold over both sides like so to create the sides of the face.

Step 7:
Then, lift up your sides and fold them out like so:

When you flip your paper over you should see this:

Step 8:
Now fold both left and right sides back to create ears.
Also, fold the bottom corner up to create a chin.

Grab your drawing supplies to draw the face.
