

The image shows the Scratch Jr programming environment. At the top left is the 'Scratch Jr' logo and a home icon. Below it is a toolbar with icons for zooming, a window, a landscape image, a letter 'A' and 'B' in a circle, a circular arrow with an 'x' (undo), and a green flag. The main stage area displays a Halloween-themed scene with a bed, a castle, a mushroom, a witch's hat, a spider, a spiderweb, and a bat. To the right of the stage is a vertical toolbar with a plus sign, a preview window showing the scene with a '1' in a circle, another preview window showing a different scene with a '2' in a circle, and a plus sign. At the bottom is a purple toolbar with icons for chat, right arrow, person, speaker, network, red speech bubble, speech bubble with 'hi', two person icons with '2', two person icons with '2', two person icons, two person icons, and a circular arrow. Below the purple toolbar is a row of four icons: a hand pointing, a person, a microphone with '1', and a scene with a '2'.
