

The image shows the Scratch Jr interface. The main stage is a purple rectangle with the text "About Me!" at the top. On the stage, there is a house icon, a Canadian flag, a circular photo of a woman, and a circular photo of a beach. The left sidebar contains asset categories: "Teen" (with a photo of a woman), "Character" (with a Canadian flag), "House" (with a house icon and a hand-drawn house icon), and "Character" (with a beach photo). The right sidebar shows a code sheet with four numbered steps: 1. "About Me!" with a house, a photo of a woman, and a Canadian flag; 2. A beach scene with a surfer and a surfboard; 3. An indoor scene with a woman, a dog, and a child; 4. An outdoor scene with a polar bear, a bear, and a person in a boat. The bottom toolbar contains various icons for speech, navigation, and animation.

The image displays the Scratch Jr interface with a beach scene on the stage. The stage contains a character on a surfboard, waves, a sandy beach, and a surfboard. The interface includes a toolbar with various icons for editing and coding. On the right, there is a 'Storyline' area with four scenes labeled 1, 2, 3, and 4. Scene 1 is titled 'About Me!' and features a house, a Canadian flag, and a person's photo. Scene 2 shows a beach with a boat and a surfboard. Scene 3 shows a person on a red rug with a dog. Scene 4 shows a person with a bear and a boat in a snowy environment. Below the stage, there are two code sheets. The top code sheet starts with a 'Go to scene 1' block, followed by a 'Move 4 steps' block, a 'Repeat 1 times' block containing a 'Move 4 steps' block, a 'Repeat 4 times' block containing a 'Repeat 2 times' block with a 'Move 1 step' block, and a 'Repeat 1 times' block containing a 'Repeat 4 times' block with a 'Repeat 1 times' block containing a 'Repeat 1 times' block. The bottom code sheet starts with a 'Go to scene 1' block, followed by a 'Move 4 steps' block, a 'Repeat 4 times' block containing a 'Repeat 1 times' block with a 'Repeat 4 times' block containing a 'Repeat 2 times' block with a 'Repeat 4 times' block, and a 'Repeat 4 times' block containing a 'Repeat 1 times' block with a 'Repeat 1 times' block containing a 'Repeat 4 times' block.
