

The image shows the Scratch Jr. interface for a game titled "Escape The Dragon". The main stage features a knight on the left, a treasure chest in the center, and a dragon on the right. The text "Tap the knight to get the treasure." is at the top, and "But watch out for the dragon!" is at the bottom. The left sidebar contains asset boxes for "Dragon", "Fire ball", "Knight", and "Treasure". The top toolbar includes icons for home, zoom, background, text, characters, and a flag. The bottom toolbar contains various motion and control blocks.
