

The image shows the Scratch Jr programming environment. The main stage displays a beach scene with a scuba diver swimming in the water and a surfboard on the sand. The interface includes a top toolbar with icons for home, zoom, background, text, and undo. A left sidebar contains asset categories like 'ScubaDiver' and 'Cake'. A right sidebar shows a sequence of three scenes: 1. Scuba diver underwater, 2. 'Try again' text with a smiley face, 3. Scuba diver on a beach with a surfboard. A bottom toolbar contains various code blocks for movement, looping, and control.
