

The image displays the Scratch Jr interface for a project titled "Magic Elephant".

Stage: The central stage shows a savanna landscape with yellow grass and a blue sky. Several grey elephants are present, and one blue elephant with yellow polka dots, labeled "Magic Elephant", is in the foreground.

Left Sidebar (Assets):

- Sprite Area:** Three "Elephant" assets and one "Magic Elephant" asset (blue with polka dots).
- Background Area:** A plus sign icon to add a background.

Right Sidebar (Storyboard):

- Scene 1:** A thumbnail showing a herd of elephants in a savanna.
- Scene 2:** A thumbnail showing a single elephant under a tree in a savanna.
- Plus Sign:** A button to add a new scene.

Bottom Toolbar: Contains standard Scratch Jr icons for speech, movement, appearance, sound, and control.

Codesheet Strip: Located at the bottom, it shows a sequence of actions:

- A yellow block with a message icon.
- A yellow block with a character icon.
- A pink block with a character icon.
- A white block with a loop icon and the number "4".
- A red block with a scene switch icon and the number "2".
