

The image shows the Scratch Jr. interface for a project titled "Winter Wonderland (Main)". The workspace features a winter-themed background with snow, mountains, and a penguin. A penguin character is currently on stage. The left sidebar contains a "Character" palette with three items: a gift box, a patterned gift box, and a gift box with a pink bow. Below these is a "Character" palette with a green gift box and a penguin. The top toolbar includes icons for home, zoom, background, text, undo, and a flag. The right sidebar shows a storyboard with four scenes, each numbered 1 through 4. Scene 1 shows three penguins on a snowbank. Scene 2 shows a snowman and two penguins. Scene 3 shows a penguin under a "Prize" banner. Scene 4 shows a penguin and a gift box. The bottom toolbar contains icons for speech, navigation, character, sound, and video, along with a red bar for scene navigation.

A sequence of Scratch Jr. code blocks: a yellow "Run" block, a blue "Repeat" block with a "2" in a white circle below it, a green "Pop" block with the text "pop" below it, a pink "Character" block, and a red "End" block.
