

The image displays the Scratch Jr workspace for a project titled "Bumble Bee (Advanced)". The central stage is a solid blue square with a yellow and black striped bee character positioned in the center. The interface includes a top toolbar with icons for home, zoom, background, characters, and undo. A left sidebar shows the "Character" palette with a bee icon and a plus sign. A right sidebar shows a preview of the stage with a bee and a landscape background, with a plus sign below. A bottom toolbar contains various motion, sound, and control blocks. Below the workspace, a script area shows several block sequences for the bee character:

- Block 1: A yellow flag block, followed by a blue "Turn 15 degrees" block (1), a blue "Turn 15 degrees" block (1), and a red "Turn 180 degrees" block (1).
- Block 2: A yellow flag block, followed by a blue "Move 4 steps" block (4), a blue "Move 4 steps" block (4), and a red "Turn 180 degrees" block (1).
- Block 3: A yellow flag block, followed by a green "Play sound" block (2), a yellow "Wait 10 seconds" block (10), and a red "Go to background" block (2).
- Block 4: A yellow flag block, followed by a blue "Move 1 step" block (1), a blue "Move 1 step" block (1), and a red "Turn 180 degrees" block (1).
- Block 5: A yellow flag block, followed by a green "Play sound" block (1), a yellow "Stop" block, and a yellow "Send message" block.
- Block 6: A yellow flag block, followed by a yellow "Send message" block, and a purple "Go to character" block (10).
