

The image shows the Scratch Jr programming environment. At the top left is the 'Scratch Jr' logo. Below it are asset drawers for 'Cat' and 'Grandmother'. The central stage shows a superhero grandmother and a cat in a city park. On the right, there are two scene thumbnails labeled '1' and '2'. The bottom of the screen features a toolbar with various icons for actions like speaking, moving, and looping. A script area at the very bottom contains a sequence of 15 code blocks: a 'Say' block, a 'Run' block, a 'Move' block with a value of 8, a 'Run' block with a value of 3, a 'Move' block with a value of 5, a 'Repeat' block with 1 iteration, a 'Repeat' block with 1 iteration, a 'Repeat' block with 3 iterations, a 'Say' block with 1 iteration, a 'Move' block with a value of 4, and a 'Repeat' block with 2 iterations.
