

Space Hide And Seek (Simple)

The image shows a ScratchJr workspace. On the left, there is a library of blocks and assets:

- Rocket
- Castle
- Mushroom
- Astronaut

On the right, the stage features a white background with a purple starry sky at the top. A blue and green globe is positioned in the upper right. In the center-left, there is a large black and white soccer ball. To its left is a red mushroom with white spots. To the right is a white castle with blue roofs and orange flags. An astronaut in a white suit stands on the left side. The bottom of the stage has a grey ground with some small rocks.
