

Space Race (Advanced)

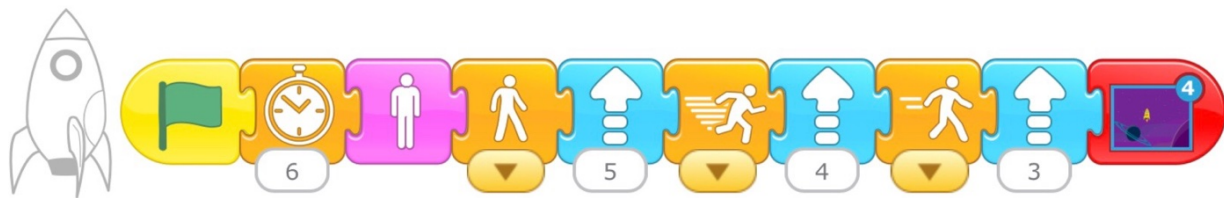

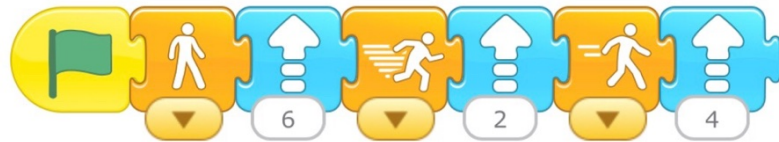

The image shows the Scratch Jr workspace for a "Space Race" project. The stage features a purple space background with a yellow rocket, a ringed planet, and other celestial bodies. The top toolbar includes icons for home, camera, gallery, text, undo, and redo. The left sidebar shows a "Rocket" sprite and a plus sign. The right sidebar displays a sequence of four stage snapshots labeled 1, 2, 3, and 4, showing the rocket's movement. The bottom toolbar contains various motion, sound, and control blocks. A sequence of 15 code blocks is shown below the toolbar, starting with a "Go to flag" block (12) and followed by a series of "Move" and "Turn" blocks with durations of 12, 2, 2, 2, 2, 4, 2, 3, 2, 3, and ending with a "Play" block.
